

# **FISHING UTAH LAKE**

By TubeDude

Enough. I have been working on this thing since the early 1960s and I have finally put it to bed...writing-wise. Of course much of the early “work” was in the R&D department...exploring and fishing Utah Lake. That has always been the fun part. I began the writing part about 10 years ago.

I have written this book subject by subject, mostly at the request of fellow anglers who have asked for my input on various aspects of fishing Utah Lake. Over time it developed into a collection of articles that seemingly made good chapters for a complete book. So I began adding more chapters and fleshing out the older ones...and adding lots of pictures and maps.

The book is a synopsis of my own experiences...tempered with a great amount of input and education from Utah DNR folks and others with more “book learnin’”. Much of what I think I know has also been acquired through association with a whole lot of other Utah anglers over the years. I have learned a lot from them and this book is just my effort to pass it along. I am properly grateful for all of the help I have received along the way.

# **TABLE OF CONTENTS**

**OVERVIEW & HISTORY** 7 pages, 3 pictures, 5 charts & diagrams

**POPULAR PLACES** 92 pages, 23 maps, 118 pictures, 8.76 MB

**AMERICAN FORK BOAT HARBOR** 9 pages, 2 maps, 10 pictures, 952 KB

**SPECIES** 126 pages, 167 pictures, 3 maps, 7.57 MB

**BLACK BULLHEAD** 4 pages, 5 pictures, 277 KB

**BLACK CRAPPIE** 3 pages, 5 pictures, 312 KB

**BLUEGILL & SUNFISH** 3 pages, 7 pictures, 347 KB

**CARP** 13 pages, 18 pictures, 1,277 KB

**CHANNEL CATFISH** 45 pages, 44 pictures, 1 map, 1,806 KB

**LARGEMOUTH BASS** 3 pages, 1 picture, 208 KB

**SUCKERS** 1 page, 2 pictures, 120 KB

**WALLEYES** 33 pages, 37 pictures, 1 map, 1,328 KB

**WHITE BASS** 28 pages, 33 pictures, 1 map, 1,662 KB

**YELLOW PERCH** 3 pages, 5 pictures, 422 KB

**PLUS:** New chapter finished January, 2012... **"Ice Fishing Utah Lake"**  
24 pages, 25 new pictures, 3 new maps  
Focus on ice fishing...for all popular ice fishing areas and all species

## HOW TO ORDER

I have made this “book” available in CD format for several reasons. First is to keep the costs of production down. Second is to make it more affordable to those who want it. Putting this book on paper would make it too expensive for the average person who might want to have it. Lastly is the control factor. This system allows me to make meaningful changes or additions as they are indicated...or to do periodic rewrites without having to completely reformat a written book.

**PRICE: \$20**

**MAILING: Free within USA**

You can obtain one or more copies either by mail or by picking them up at my “tackleorium”. My address will be supplied to interested parties.

Payment will be accepted in cash, by check or through PayPal. Again, mailing information will be provided for those wishing to send payment through the mail...and account information given to those desiring to pay through PayPal.

When ordering please specify how you wish to pay and to which mailing address you want it sent.
