

Adopt-The-Shoreline Volunteer Release Waiver

The Adopt-The-Shoreline Program is for volunteers who donate their time to help keep the shorelines of Utah Lake clean. Participants are advised that working adjacent to a body of water can be hazardous. Participants shall exercise proper care in performing Litter and Weed Control collection activities. Participants must wear appropriate protective clothing such as long pants and thick-soled boots or shoes.

I acknowledge that Utah Lake Commission (ULC) personnel will provide direction and limited supervision regarding my duties as a volunteer. I will use all provided equipment appropriately and follow all safety practices.

I represent that I am physically fit to participate in the Program. I am aware that the work contemplated in the Program involves certain risks of physical injury and death. Being fully informed as to these risks and in consideration of being given the privilege to participate in the Program, I hereby, on behalf of myself and my heirs, assume all risks in connection with my participation in this program and I further hold harmless the ULC, its officials, employees and agents for any injury or damages which may occur to me while I am participating in the Program and I waive any right to bring claim or lawsuit against them for such injury, damage or death. Furthermore, I agree to hold harmless, defend and indemnify the ULC, its officials, employees and agents from any and all claims and lawsuits for injury, loss, or damage to other persons or entities which may arise in the future as a result of or in connection with my participation in the Adopt-the-Shoreline program except for injuries or damages caused by the sole negligence of the ULC. I authorize any necessary emergency medical treatment that might be required for me in the event of physical injury and/or accident to me while participating in this Program.
